INTERCEDE & SEND

JULY 2026

1

MUSLIM SE ASIA

The June earthquake badly damaged the Mapa community. Pray for the SEND team and local helpers as we seek to show Jesus, help rebuild, and assist with relief – water, food, and medical services. Many have lost their homes and their means of earning a living. Pray for open hearts.

8

GLOBAL CHINESE MINISTRIES S & A

Rural churches in Taiwan are few and far between and it's difficult to find pastors or missionaries willing to move to these rural areas. Pray that God will raise up more men and women to move to the least reached areas of Taiwan and fill in vital gaps for evangelism, church planting, and ongoing discipleship.

2

CROATIA *Stouts & Beachams*

Pray that we will be lights for Christ for all the MKs coming to camp in Severin na Kupi. Ask the Lord to give us lots of energy and for the kids to have a blast and grow and truly know Jesus! Camps run through the first few weeks of July.

9

MUSLIM SE ASIA

Chicken raising projects, designed to support the Muslim communities, were just launched in May in the Bata community, and the recent earthquake will likely halt this until the area is repaired. Pray for Muslim followers of Jesus to have Spirit-led interactions in their communities as they work together to rebuild.

3

SPAIN *Uribe Kosta Team*

Praise God with us that we were able to raise a down payment to purchase a larger building already registered for religious services. Ask the Lord to move in outreaches this week and throughout the month. We also have teams coming to minister and hope to start services in the new building.

10

UKRAINE

The Wiebes, who have remained in Ukraine throughout the war, are currently on home service. Pray that God will strengthen them and provide what they need, including additional support and strong connections with the people and churches they will visit. Ask the Lord to give them a season of peace.

4

INDONESIA

SEND worker, IC, is hosting a woman from a close partner organization doing a vision trip this week. The women have much in common in work and ministry experience; pray for the Spirit's leading as we explore and pray for clear ways to partner together in the future.

11

SEND NORTH

Pray for God to raise up more workers for ministry in northern Canada, especially in the Yukon and Northwest Territories. Ask him to provide leaders who can serve in village contexts, strengthen local teams, and faithfully engage First Nations communities.

5

SEND U

Pray for SEND's Member Orientation Program July 5–17. Ask the Lord to deepen the attendees spiritual vitality, relational maturity, and ministry effectiveness as they prepare to deploy. Pray also for wisdom and strength for the MOP facilitators and staff as they guide and serve these candidates.

12

PHILIPPINES

Praise God for the 12 graduates of the KAIROS training course hosted by Kamuning Bible Christian Fellowship with our SEND Philippines and other facilitators. Pray that the flame ignited in their hearts for God's mission for the world will be kept alive as our team plans for short-term trips.

6

EURASIA

Pray for the Regional Director and the Member Care Director who just moved to Georgia, Transcaucus. Ask the Lord to give them a smooth transition, a strong start, and suitable housing. As they briefly return to Canada this summer, pray for good connection with family, partners, and for new support.

13

JAPAN

Winsome Lau

Iwate — Pray for T, a young mother who moved to our town last summer with her husband and daughter. She had no friends here and felt lonely. Her daughter joined our kids program and now T attends our English class. We have a good relationship with her and she is open to the gospel.

7

CENTRAL ASIA

Pray that the Lin family, Central Asia appointees, will have good health and smooth travel as they visit their sending church in Hong Kong and a Central Asian embassy. As this is their first international trip with an infant, pray that paperwork will be processed without delays.

14

THAILAND

Praise God that we have two new appointees to serve in Thailand with our Isaan team: PJ from the US and VB from Germany. Thank God for a good week of VBS with over 40 kids and guardians in attendance and pray for follow up with all who attended.

15

GEORGIA

Transcaucus — Pray for the Georgia workers as they have concluded several camps. Pray that God will continue to protect the children and teens, help them grow spiritually, and draw their hearts closer to him.

16

RUSSIA

MN attended a conference focused on reaching the unreached in Russia. Pray that God will bear fruit from the connections she made there. Pray also for God to give wisdom and clear direction as the Russia team plans an outreach camp and short-term trip in August.

17

SPAIN*Giles & Debbie Davis*

Pray as we accompany six Spanish youth to Denmark July 18–24 to lead the youth program for their IFFEC church family camp. What a joy to mobilize and connect the cultures while serving and mentoring Spanish young people.

18

GLOBAL CHINESE MINISTRIES *Luke & Naomi*

Pray for the evangelistic outreach our team of eight will hold today at the long-term care center for the elderly in Dalin. Ask the Lord to help us to share the gospel with them through hymns, plays, short sermons, games, and other activities. May they hear the good news and receive Christ's salvation.

19

TRANSCAUCASIA*Rick K*

Georgia — Pray for S, a medical student from India who was raised Hindu and now is agnostic. He attends church and Bible study and has many questions. Pray that G, his Christian friend, will continue to be a good influence, and that S will come to faith in Jesus.

20

CANADA CHINESE DIASPORA

This week, Joseph & Melanie will participate in the 10th Chinese conference on world evangelization held by Chinese Coordination Centre of World Evangelism (CCCOWE) in Kuching, Malaysia. May God lead this conference and inspire all participants to serve Jesus faithfully!

21

POLAND*Pat Weathersbee*

Legnica — This week we have VBS for ages 6-18. Pray for God to open the hearts of the children and teens to be transformed by the gospel. Pray for good contact with the parents. Ask the Lord to unite the workers coming from different churches to help.

22

SEND NORTH

Pray for people across northern Canada to respond to Jesus with surrendered lives and a desire to follow him. Ask God to strengthen local churches, bring comfort to grieving communities, and mobilize believers to make disciples.

23

PHILIPPINES

ARISE Movement mission events were held in recent months in different areas. Pray for the Philippine mobilizers as we follow up with our contacts from these events, and also from mobilization in different churches.

24

THAILAND

As the university summer break comes to an end and students return to campus this month, the student center will host about 180 students each week. Pray for endurance for our Isaan team, as some are on home service and only three full-time SENDers are here to interact with students.

25

VIETNAM

As we develop this new ministry area from the ground up, pray for our newest appointee, JK, as he attends new member orientation with our SEND Canada office at the end of July. He will work on pre-field requirements and begin to build partnerships with churches and individuals, while still working full-time.

26

MUSLIM SE ASIA

Pray over university students who have been in Bible studies, especially those in the Mapa community, who are also in the midst of repairing their lives right now after the earthquake. Ask the Lord to help us keep in touch with them over their summer break.

27

CANADA

Pray for our SEND Canada onboarding training, taking place from July 27–31 in London, Ontario. Eight people will be joining as they move towards long term service. This is our first collective training with multiple missions agencies involved, so pray for a great spirit of unity and collaboration.

28

CANADA CHINESE DIASPORA

As S&K participate in the SEND training, ask God to clearly show them his will and strengthen their faith to step out. Pray also for Michelle, who has served in part-time support for three years, and now is applying to join SEND.

29

POLAND

Two short-term workers are here for the summer. Ask the Lord to work in their hearts and give them clear direction for future service. Pray for them to have good contact with Poles and to develop friendships that produce fruit for the gospel.

30/31

SEND GLOBAL

A number of SEND families are transitioning their high school graduate back to their home countries and future training. It is exciting, emotional, and expensive. Pray for God's peace and provision, and for these students to find other TCKs who understand them and settle well in their passport country.
