SEND NORTH

Pray for wisdom our Northern Canada teams to reach new communities in Northwest Territories, Yukon, and eastern Alaska. Ask God to give strength to families who are facing health challenges and ministry changes. Pray for joy, endurance, and creativity to share the gospel through the dark season of winter.

2

NORTH MACEDONIA

Jenna Ness

Pray for the annual national church service today, a gathering of all the evangelical churches in the country. Ask the Lord for a spirit of unity among the churches, encouragement for believers as they gather together, and for the gospel to deeply penetrate the hearts of those who attend.

9

GLOBAL CHINESE MINISTRIES

M&C Ling

Taiwan — With the addition of new members in our discipleship group, pray that God will help them grow in trust, openness, and commitment to him. Pray also for our son, Hudson, who is again struggling with severe eczema. Ask the Lord for healing and grace for him and for us.

3

SEND GLOBAL

Ken Guenther

This week SEND's directors from around the globe gather for discussion, collaboration, and decisions. Pray for unity, clarity, and direction to align future vision for all. Training will include identifying reasons why some ministries may not be effective, with tools and strategies to improve engaging the unreached and establishing reproducing churches.

10

PHILIPPINES

Praise God! Thank you for praying for our appointee to a restricted-access country in Southeast Asia. After two target country redirects and more than six years of waiting and preparation, she finally got a student visa and has launched. Continue to pray as she gets settled and begins language study.

4

SEND CANADA

"Mags" Magwood

As I join fellow leaders at Directors Council, pray for Spirit-led alignment and renewed passion under new International Director, Jon Eckstein. Also, lift up SEND Canada's Sending Collective, ongoing collaboration with other like-minded Canadian organizations to boldly advance the gospel and reflect Christ's love across cultures and communities.

11

THAILAND

Pray for wisdom for the leaders of the Mahasarakham church planting team. A Christian couple contacted the team to ask for help to start a campus outreach program in nearby Kalasin but the team needs to determine personnel and time commitments before they move ahead.

5

MUSLIM SE ASIA

Pray for our campus team as they test a new supplemental tutoring program to support first-year students from poor communities who arrive unprepared and are likely to drop out of university early or fail their courses. Ask the Lord to bless and facilitate our partnership with the local university.

12

EURASIA

Pray for believers in villages in Russia, Ukraine, Central Asia, and Georgia who are without Christian fellowship to stay steadfast in his Word. Ask the Lord to also open doors among the unreached and provide ways to enter new areas of service where the good news of Jesus needs to be proclaimed.

6

SPAIN

Brooke Nagel

Our team is taking seven Spanish youth to a conference for next generation church leaders in Paris. This is an international event by IFFEC youth, with attendees from all over the world. Pray for safety, good conversations, and connections. Pray for the next generation of leaders in our churches around Spain.

13

ROMANIA

Brett & Alyson Haynes

Biserica Renasterea — Several young families in our church are struggling with personal faith, marriage relationships, and parenting. Pray for leading and the Spirit's work as we start a group to talk through Biblical marriage and parenting, with a focus on submitting to the Lord's Word and seeking him.

7

BULGARIA

Gisli & Nora Jonsson

As we lead a counseling training this weekend, pray that the four trainees will learn what they need and how to help others know God more deeply. Pray also for our neighbors to respond to the Holy Spirit drawing them to God through reading their Bulgarian Gospels of John.

14

JAPAN

Timothy Burda

Pray for the Lord to protect the Friday Terrace ministry and allow us to continue to develop relationships with the community. Pray that, through these relationships, he will continue to draw Japanese who are seeking to find Jesus.

15**CANADA/CHINESE DIASPORA MINISTRY**

Praise God for leading Tony & Fiona Tsang to serve as mid-term church planting among Chinese in Medellin, Colombia, partnering with a church in Panama. Ask God to raise up mid and long-term workers to work among Chinese in Brazil and Eastern Europe.

16**POLAND**

Pray for our Ukrainian/Polish women's Bible study at the church plant, led in Polish but challenging with two different languages. Praise the Lord that one Ukrainian woman is seeking baptism. As we study James, pray the women will study at home and come prepared to discuss scripture in their study time.

17**GEORGIA**

RK has met several times with a Muslim background teen who is eager to understand what the Bible says about what he's been taught. Ask God to work in his heart and lead him to truth. Continue to ask for God's direction as the Transcaucus team develops ministries, particularly in Georgia.

18**RUSSIA**

Pray for a smooth transition as MN and an established church in Tambov launch a sister church this month. Pray for the sending church as this creates gaps in current ministries. Ask the Lord for unity and a gospel focus throughout the process.

19**ROMANIA****Nathan Garrett**

Pray for an exciting opportunity I have this week at a C.S. Lewis conference hosted at Iași University. I'll present a song I wrote for a musical that connects the Chronicles of Narnia to Romanian thought. Pray for wisdom as I seek to weave the gospel of the story into a secular conference.

20**MUSLIM SE ASIA**

Dr. B routinely checks on sick people in our community. His unhurried approach puts them at ease even with his honest and firm medical recommendations or advice. Pray this informal medical clinic will facilitate more healthful practices and for them to acknowledge God as the ultimate Healer and Life-Giver.

21**JAPAN****Sherlock & Michelle Lai**

Praise the Lord for the opportunity for the Tohoku Team to gather together this weekend for a retreat. Pray for all team members to have a time of refreshment and a chance to reconnect with God and each other while they are away from their busy daily lives and work.

22**SLOVENIA****Ptuj Team**

We are holding a LEGO weekend here in Ptuj: children gather to build a fabulous LEGO city while hearing about Jesus through Bible stories. Pray for the children to have open hearts to a personal relationship with Jesus and for their families, who will gather on Sunday to see the city.

23**CROATIA****Kenny & Brittany Beacham**

24**ROMANIA****Brett & Alyson Haynes**

We are starting Sunday School for our small group of young teenagers at our local church, Biserica Renasterea. Pray for good connection in the group, vulnerability, and openness of heart as we study God's Word together.

25**THAILAND**

Praise the Lord for the two new Bible studies that are in place among the Shan people. Some attendees are believers wanting to know how to share their faith while others are unbelievers who are interested in Christianity.

26**CENTRAL ASIA**

The Learning Centre is now actively running and seeking students. Pray for wisdom and favor as AF builds platforms to promote the school and connects with potential learners. Ask the Lord to guide every step and provide the right people, resources, and opportunities to help the Centre flourish.

27**MUSLIM SE ASIA**

In our first study at the home of Babu Kawiya, with her children and grandchildren, they learned about the creation of the world. Babu said, "It is the Creator who made all of us and everything in this world." Pray for this family to grow in their faith and understanding of God's Word.

28**GLOBAL CHINESE MINISTRIES****J&C Keener**

Taiwan — Pray the spiritual growth in our church members as we study the Bible and for wisdom to know how to bring new people into the church. After a year bringing stability to a church that was reeling from a chaotic season, we feel the next needed step is growth.

29**SLOVENIA**

Today we host a women's event to make and decorate advent wreaths, enjoy tea and snacks, and share why Christ was born for them. Pray for these women to hear God's message for them, for wonderful fellowship at the event, and for all of the details to make this happen.

30**CROATIA****Brian Stout**

Zadar — We started our Global Connection English classes earlier this fall. Pray that I will teach English with excellence that will create good student interaction and open doors for the gospel to touch their lives.
