## TRADITIONAL SHINGLES

*XT25, shown in Weathered Wood*

### Long-Lasting Performance

When it comes to weathering the elements, XT 25 is at the top of its class. Built on a super tough fiberglass base, XT 25 combines exceptional durability with flexibility for better resistance to blow-off.

CT 20 is a tough, one-piece shingle - ideal for situations where the highest quality roofing products are called for at an economical price. Installation is fast and easy to minimize roofing time and disruption.
