If accepted into Tradesman Place, students will be notified via email listed within the personal information section of this application. A copy of that email will also be sent to the school site representative. The email will outline the start date for which the student will report to Tradesman Place.

Before being placed with a business, the student must agree to the following:

- Participate in a 10-hour employability/orientation course which will include a thorough understanding of all Tradesman Place handbook policies and procedures. This will take place during assigned hours at Tradesman Place
- Participate in a 30-hour on-line OSHA on-line training course.
- Complete all the information required by payroll.
- Sign and commit to the policies and procedures in the Policies and Procedures Handbook.
- Students(s) will participate in a field trip reviewing all business opportunities.
- Students may be requested to interview with business.
- Students will be placed with a business on an established start date.

As a high school student participating in Tradesman Place, I have read the above information. With my signature, I agree to pursue and begin training that could advance me into employment after high school and/or provide me with experiential learning opportunities.
