

HIRE. TRAIN. BUILD THE FUTURE.

Tradesman Place connects high school and postsecondary students with real-world, hands-on job experiences—right inside your business. We are your trusted staffing partner for student work-based learning placements, helping you develop your future workforce while making a real difference in your community.

WHY PARTNER WITH US?

- ✓ **Industry-Ready Talent**
Students are pre-screened, career-focused, and eager to learn.
- ✓ **Streamlined Onboarding**
We handle compliance, paperwork, micro-credentialing and scheduling—so you can focus on productivity.
- ✓ **Workforce Pipeline Development**
Shape your future talent pool by mentoring the next generation.
- ✓ **Community Impact**
Demonstrate your commitment to education, workforce development, and social responsibility.
- ✓ **No Long-Term Commitment**
Flexible placement terms tailored to your company's workflow and needs.

INDUSTRIES WE SERVE

- Construction & Skilled Trades
- Manufacturing & Engineering
- Healthcare & Human Services
- Information Technology
- Aviation & Logistics
- Hospitality & Culinary
- Business & Marketing...**and more!**

HOW IT WORKS

1. We assess your workforce needs.
2. We match students with your job opportunities.
3. You provide mentorship and hands-on experience.
4. We support you and the students every step of the way.

LET'S BUILD SOMETHING GREAT—TOGETHER.

"Tradesman's Place is more than a workforce program — it's a bridge between education and industry. We're proud to support an initiative that grows our talent pipeline and delivers real opportunity to local students and employers alike."

— **Kay Tracy, Director, Charlotte County Economic Development Office**
