

2026 ONE BOOK, ONE ELMHURST MUSIC BINGO

DIRECTIONS

Each player gets one BINGO card and one tool to mark their card (can use pencils, coins, or other objects)

- Visit elmlib.org/OneBook to click on the link for the music bingo playlist.
- Turn on the shuffle option, then hit play, but don't let the players see your screen.
- When a song plays, players will mark it off on their cards.
- The first person to get BINGO will call out, and the host will verify their card.

Use the BINGO caller card on the next page to keep track of the called songs. Print two copies: one to cut up and put in a hat, and one to keep as a marked reference for which songs have been called.
