## What Type of Kindle Do I Have?

If your device has a color screen, speakers, and can download apps, you have a **Kindle Fire Tablet**, which can access a variety of EPL's digital services. Please use our Mobile Devices handout.

If your device has a black and white screen and cannot download apps, you have a **Kindle eReader**, which can only access eBooks via EPL's Libby by OverDrive collection through the Digital Library of Illinois: [dlil.overdrive.com](http://dlil.overdrive.com).

### Getting started with eBooks

1. Download **Adobe Digital Editions** on your home computer - [adobe.com/products/digitaleditions](http://adobe.com/products/digitaleditions).
2. Once the software is downloaded, create an Adobe ID. You may also need to authorize your eReader with this ID.
