# AGUILA GOLF - PARTNER

Interview with **Jackie Clio, CEO & Partner, Aguila Golf**

Interviewer: **Martin Jensen – Founder, 365 Golf EVENTS**

**Aguila Golf is expanding rapidly across the GCC, especially in the UAE. What's been your vision for building a golf brand from Dubai?**

From the start, our vision was to create a brand that reflects the evolving identity of golf in the Middle East—blending luxury, hospitality, and community. Dubai, with its world-class golf scene and global audience, was the perfect place to bring that to life. Aguila Golf is about more than apparel; we're here to create memorable moments on and off the course.

**The UAE is a melting pot of cultures and skill levels. How does Aguila Golf cater to such a diverse golf audience?**

Diversity is at the core of our brand. Our collections are designed for men, women, and juniors—combining style, comfort, and performance for all levels of play. Whether you're a beginner or a seasoned golfer, we want you to feel confident and included.

Our partnership with 365 Golf EVENTS helps us connect with this broad community, from local games to international tournaments.

**Why is your partnership with 365 Golf EVENTS valuable to Aguila Golf?**

It's a natural fit. Martin's attention to detail and focus on premium, personalized experiences align perfectly with our brand. Through 365 Golf EVENTS, we've connected with a global, engaged golf community—building something meaningful and lasting together.

**Dubai is a hub for golf tourism. How is Aguila Golf tapping into this?**

We aim to be part of what golfers take home from Dubai—through exclusive event gear, VIP gifts, and co-branded moments with 365 Golf EVENTS. Our goal is to be the brand linked with premium golf experiences in the region.

# AGUILA GOLF - PARTNER

Interview with **Jackie Clio, CEO & Partner Aguila Golf**

Interviewer: **Martin Jensen – CEO, 365 Golf EVENTS**

**Many golfers in the region are seeking premium but personalized experiences. How do you meet that demand?**

Customization is a new and exciting chapter for Aguila Golf. We've been inspired by what we've seen at some of the one-day events organized by 365 Golf EVENTS, where players receive personalized shirts with their names, and hosting companies are given custom apparel in their brand colors. These aren't just small details—they're the things people remember. 365 Golf EVENTS treats every event like an experience, not just a golf day, and that level of care has opened our eyes to the growing demand for personalized merchandise. We're considering it as part of our future plans.

**What's been your biggest learning as a CEO building a golf brand in this region?**

Adaptability and relationships are key. Business moves fast and is built on trust. Partners like 365 Golf EVENTS bring insight and reliability, letting us focus on growth and innovation.

**Any exciting projects or expansions coming up in 2025/2026 for Aguila Golf in the UAE or beyond?**

Absolutely. We're planning a series of Aguila-branded events in collaboration with 365 Golf EVENTS, with Dubai and the UAE as key destinations—and possibly Oman on the horizon. We're also launching new collections, expanding into the broader GCC region, and further developing our women's and junior lines. 2025 is set to be a big year for building a more inclusive and regionally relevant golf brand.

**Last but not least—what's your message to the growing golf community here in the UAE?**

Keep showing up and enjoying the game in your own way. Golf in the UAE is about more than competition—it's about culture, connection, and community. Whether you're at one of our co-hosted events with 365 Golf EVENTS or simply looking for golf wear that fits your lifestyle, Aguila Golf is here to support and celebrate your journey every step of the way.
