

Atlee High School Athletic Booster Club

Dear Community Partner,

We are reaching out to ask for your assistance in supporting the student athletes of Atlee High School for the upcoming 2026/2027 school year. Through the generous donations from companies such as yours, we were able to support Atlee High School athletic teams last year to levels greater than ever before.

Over the past school year the Atlee High School Athletic Booster Club provided over \$100,000 in support to the athletic department for new team uniforms, equipment refurbishment and replacement, game officials for varsity and junior varsity events, coverage of some travel expenses for the numerous teams and athletes competing at state level tournaments, and much more. Two years ago we provided new scoreboards both at the stadium and in the gym which were original to the school from 1991. Lastly we have constructed a sign at the stadium recognizing the teams that have won state championships at Atlee High School. Because of your support our athletics program continues to thrive and we will be adding new names this year!

With the end of classes we are now turning our attention to a new year. Please find attached our 2026/2027 corporate sponsorship packages that offer a range of donations and corresponding benefits. Feel free to reach out with any further questions; also connect with us on our new and improved website at <https://www.atleeathletics.com/>. Thank you for your consideration in supporting Atlee High School Athletics, we look forward to hearing from you soon. Go Raiders!

Sincerely,

Atlee High School Athletic Booster Club
