

IC BUS[®] SERVICE CONTRACTS

CE SERIES SCHOOL BUS

CE SERIES

Increased uptime through proactive maintenance planning around your schedule, reducing the frequency and duration of service events.

Ensured peak vehicle performance and fuel economy through professionally trained technicians working with genuine OEM parts and lubricants.

Locked-in maintenance costs protect from future inflation with the ability to capitalize those costs with attractive financing options.

Service event orchestration ensures your service event is managed efficiently and keeps you updated on status and estimated time of completion.

DELIVERING CONFIDENCE. MILE AFTER MILE.

School bus operators play a vital role for students, parents, and administrators alike. IC Bus understands the importance of this responsibility. That's why we offer comprehensive service contracts for the CE Series bus powered by the Cummins[®] B6.7 Diesel. These ownership solutions are designed to drive greater reliability, lower your total cost of ownership, and provide peace of mind for an unparalleled ownership experience.
