8:00 am – 5:00 pm

Desert Diamond Casino
1100 West Pima Mine Road Sahuarita

Dear Friends & Community Partners,

For 37 years, the YWCA's Women's Leadership Conference has been Southern Arizona's premiere event for leadership development and networking among entrepreneurs and professional women. Women at every stage of their careers come together for dynamic workshops, gaining insight into key issues and practicing essential skills that empower them to excel in their leadership journeys. The conference also features inspiring speakers and panelists who share their bold, courageous experiences, and offers a vibrant Business Expo showcasing local women-owned businesses.

We invite you to join us as a sponsor for this transformative event, where you will have the opportunity to engage with hundreds of local women. Your support not only enhances the experience for all attendees, but also strengthens our direct-service programs focused on women's economic empowerment, community leadership, and the well-being of women and families across Southern Arizona.
