

Every Life Is Worth Remembering. . .

Do you consider yourself spiritual,
but not religious?

Would you prefer to be in control of how
religious a remembrance service should be?

Serving families who are not members of a place
of worship is not new for us. Our certified Life
Celebrants can guide you to create the perfect and
meaningful funeral service, memorial service, and
even weddings and other ceremonies.

We work with you to plan and can create
custom ceremonies that include favorite music,
poetry, scripture, prayer and most anything you
could wish for.

Who is a Life Celebrant?

Our trained and certified Life Celebrants are available to help mark the moments and milestones in the lives of individuals, families, communities and organizations.

Our Celebrants will collaborate with you to create and perform personalized ceremonies that reflect your beliefs, philosophy of life and personality.

We believe in honoring each person and path though the celebrations of life. Our Celebrants can officiate all types of ceremonies and rituals, marriages, commitment ceremonies, funerals and memorials, and can even develop ceremonies to enrich your daily life or the life of your community.

Wedding & Anniversary Ceremonies

Your wedding ceremony should be personal, reflecting who you are, both as individuals and as a couple.

Our Celebrants will help guide you to fulfill your ideals and vision for your wedding from choosing rituals and readings, to symbols and music.

We are experienced at managing rehearsals and performing wedding ceremonies. Our large chapel is perfect for celebrations with seating for 200 guests.

Funerals & Memorials

Whether your family is secular, religious, spiritual or interfaith, or if you simply wish to express yourself in a manner of your own, our Celebrants can help you create a meaningful, memorable and fitting end-of-life tribute.

Our Celebrants will meet with you and learn about your loved one, to carefully craft a eulogy and ceremony with music, quotes, readings and unique symbols or rituals.

We can serve at a funeral service, memorial service, beginning or conclusion of visitation, graveside service, anniversary tribute, tree planting, bench dedication or any other gathering designed to honor your loved one.

What is the Cost?

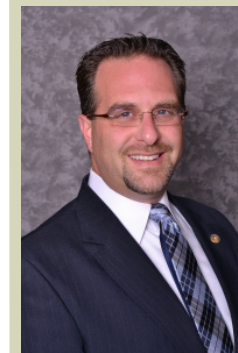

There is no additional cost to selecting a Life Celebrant as an alternative to a service or ceremony provided by a clergy person.

Patrick Creek is a husband, father and grandfather. He retired from dentistry in 2001 and became a Certified Celebrant in 2013. Pat brings a sense of creativity and inspiration to each tribute he unfolds and shares.

Danni Hubbard is a wife and mother of four grown children. She worked as a Pastoral Minister for 10 years and became a Certified Celebrant in 2013. She truly values every person's story and enjoys the privilege of giving a voice to each one.

Ross DeJohn III is a father of three girls. As a licensed funeral director since 2000, he uses experience and insight to call up an individual's story so it is told with honor, dignity and care.
