

DRAFTING + DESIGN SERVICES

Design Pricing Guide

Thoughtful plans. Clear expectations. A stronger path from idea to construction.

CLEAR PLANS. CONFIDENT DECISIONS.

Professional design helps uncover challenges early, clarify your scope and give the entire project a more confident start.

1

Deck Design

\$480-\$1,120

6-14 hours estimated

Layout, dimensions, stairs, railing locations and build-ready design details.

2

Kitchen Design

\$800-\$1,600

10-20 hours estimated

Cabinet and appliance layout, workflow planning, elevations and finish selections.

3

Bathroom Design

\$560-\$1,120

7-14 hours estimated

Fixture layout, storage planning, elevations and finish-direction guidance.

4

Basement Design

\$800-\$1,600

10-20 hours estimated

Room planning, egress considerations, mechanical coordination and layout drawings.

OUR DESIGN RATE

\$80 / HOUR

Package pricing is based on the estimated time normally needed for each project type.

LARGER PROJECTS + WHAT TO EXPECT

More Scope. More Coordination.

Flexible design support for projects that require deeper planning and more detailed documentation.

5

Addition Design

\$1,600-\$3,200

20-40 hours estimated

Concept planning, floor plans, exterior elevations and construction-document development.

6

Garage or Pole Barn

\$960-\$1,920

12-24 hours estimated

Building layout, door and window placement, elevations and practical use planning.

7

Whole-Home Remodel

\$2,800-\$5,600

35-70 hours estimated

Coordinated planning across multiple rooms, floor plans, elevations and design development.

WHAT YOUR DESIGN FEE MAY INCLUDE

- ✓ Initial consultation and project-goal review
- ✓ Field measurements or review of available plans
- ✓ Space planning and concept development
- ✓ Floor plans, elevations and selected details
- ✓ One coordinated revision round, when included
- ✓ Design handoff for estimating, permitting or construction

IMPORTANT TO KNOW

Every project is different. Final pricing is confirmed after we review the scope, site conditions and desired deliverables. Engineering, surveying, permit fees and extensive changes are not included unless specifically stated.

ADDITIONAL DESIGN, DRAFTING + REVISIONS

Work outside the agreed package or revision allowance is quoted separately.

\$80 / HOUR

Final pricing is confirmed after reviewing scope, site conditions and deliverables. Engineering, surveying and permit fees are not included unless specifically stated.
