<p style="text-align: center;">SENIOR PREP TEAM:</p> <p>Senior Prep is for the swimmers who can swim, but their journey in competitive swimming started late. This does not mean that we cannot accomplish greatness; all it means is that we need a space for them to learn and have the opportunity to keep improving.</p> <p>The majority of the swimmers in this group are between the ages of 14 and above. They usually want to swim in high school and have other activities they want to be a part of. This Senior Prep Team will get the coaching needed for them to keep improving and training with purpose. We are in on trying to make them better swimmers and athletes, as long as they are committed to training hard and smart.</p> <p style="color: red; font-weight: bold;">Senior Prep is a competitive Team, although all other teams in the DCS Douglasville satellite are required to attend swim meets, Senior Prep is only required to attend the DCS HOME MEETS, and they have the option of doing the travel meets if they want.</p>			EDUCATION			Character Development
