WELCOME

Welcome to our 3rd Annual Bull & Female Sale. We are very proud of the draft we have on offer for you today. They have passed a rigorous program of scrutiny & evaluation to get to this point and therefore, we are confident you will find something in the sale to suit your program.

At Oakey Creek Speckle Parks, we strive to breed stock that have good structure, great temperaments, fertility and weight for age. We aim to produce cattle that will widen the genetic base of the breed through sourcing the latest and best genetics that will result in an animal that will provide a carcass of outstanding quality. Our cattle are raised in a commercially real environment first & foremost and they know how to walk and find a feed for themselves. Commercial relevance is at the heart of our decision making whilst we continue to invest & fine tune our program.

Given the current commercial market being more difficult than the previous couple of years, there is no more important time to source herd sires that will increase the profitability of your enterprise. A better bull equates to better progeny, equals more kilos, more cents per kilo and therefore a better return per head.

The time line for breeding bulls is a long one, the decisions we make in the next few weeks and months will yield results in 3 years' time. Breeding bulls requires patience, good stockman ship and a very sound understanding of the breeding decisions & support technologies that are available. Our main focus with our bulls is to make our clients more profitable through the bull's progeny having good weight for age and eating quality. Our focus with females is to produce a feminine, broody animal that will calve easily, milk well & turn off a quality calf at weaning.

At Oakey Creek Speckle Parks it has always been & will always be about the cattle first & foremost. We believe not only in ourselves but our cattle & what they can do for your enterprise.

Thanks again for your attendance here today. Enjoy our Sale day & let us spoil you with some good old fashioned country hospitality. We look forward to our continued involvement within your programs.

It's simply spot on!!

Best wishes,
Dennis & Lou

SALE INFORMATION

SALE LOCATION

“Florando” 1409 Namoi River Road, Manilla NSW 2346.

We are located 65kms from Tamworth and 15kms from Manilla.

ACCOMMODATION

Manilla Motel ph. (02) 6785 1306

The Royal Hotel, Manilla ph. (02) 6785 1017

The Post Office Hotel, Manilla ph. (02) 6785 1162

On-line bidding will be available through Elite Livestock. Please register prior to the auction commencing.

elitelivestockauctions.com.au
Ph. 1300 259 742

Incase you are experiencing poor internet service, Elders agents can be contacted by phone Nik Hannaford – 0417 201 460 Jon Glover – 0428 486 887

A rebate of 2% is offered to outside agents registering Buyers, in writing 24 hours PRIOR to the sale, **accompanying the Buyer to the Sale** and settling on their behalf within 7 days of the date of the invoice.

MOBILE SERVICE

Mobile phone reception is good.

SALE INFORMATION

INSURANCE

Cattle become the responsibility of the purchaser at the fall of the hammer.

Like any other valuable purchase, we strongly suggest insuring your purchase, especially for the first six months. We recommend Elders Stud Stock Insurance. Please talk to one of the Elders team who can assist you.

SUPPLEMENTARY SHEET

Updated weights, scan data and any other new or relevant information will be posted online and available on Sale Day.

BREEDPLAN & EBV's

A 2021 EBV Percentile Table has been included in the catalogue for your reference.

EBV's can be a tool for purchasers to assist them in making selections, however we strongly suggest more emphasis should be placed on raw data and visual appraisal.

Our belief is Speckle Parks EBV's currently have a very low accuracy due to limited breed numbers and we are uncomfortable in promoting these figures for that reason, however, we do collect & submit data to Breedplan but this data is primarily used for in-herd use.

We trust in our knowledge of our cattle and the ability and performance of their individual pedigrees and we are happy to discuss any part of that to assist in your decision making.

VISITOR SAFETY

While every care has been taken to ensure the safety of all persons and property, the Vendors and Agents are not liable for any damage or injury caused.

All our cattle have been screened for temperament and are quiet to handle under normal circumstances.

Understandably Sale Day is a very different experience for our cattle. We ask that you be aware that one may misbehave due to the change in their surrounds and the pressure of so many strangers invading their space.

VISITORS ENTER THE CATTLE PENS AT THEIR OWN RISK. CHILDREN/PRAMS ARE NOT PERMITTED TO ENTER THE YARDS.

We cannot cover every example of the dangers of cattle handling, we just request you use a little common sense and **have your wits about you** at all times.

FREIGHT

All livestock must be transported from Oakey Creek within 7 days of Sale Day. Elders will act as transport co-ordinators. Please see one of the Elders team to arrange transport before leaving the Sale. Dick Smith Transport & Craig Dolinski Transport will be present on Sale day.

HERD HEALTH

Our cattle are handled regularly with vehicles, motor bikes and a loyal old Labrador. We are confident that under normal circumstances each animal in the sale is of sound temperament. Bulls have been semen tested. All bulls have been Tick Vaccinated. Catalogue weights were recorded for Bulls & Females on 12th June 2023. Updated weights will be provided in our Supplementary Sheet posted on-line and available on Sale day. Sire lines of commercial heifers are S23 N102 and S23 P80.

Bulls have been treated with;

- 7 in 1 – 8 May 2023
- Vibrio – 12 June 2023
- Tick Fever Vacc – 27 October 2022
- Dectomax – 8 May 2023

Females have been treated with;

- 7 in 1 – 21 June 2023
- Multimin – 20 May 2023
- Dectomax – 20 May 2023

SALE INFORMATION

COLLECTION OF BULLS

Lots 3, 5, 7 & 18 were collected during Semen testing, for in herd use only. Oakey Creek Speckle Parks has no further claim on any of the bulls in the Sale

OUR GUARANTEE TO YOU

BULLS

Oakey Creek Speckle Parks guarantees the fertility of the bulls at the time of the sale. The entry of every bull constitutes a guarantee by the Vendor that if a bull should prove infertile within 4 months of purchase, for reasons other than injury, misadventure, disease, mismanagement or negligence, the Vendor will provide you with a satisfactory replacement if available or issue you with a credit equal to the purchase price (excluding any costs and expenses of the Purchased price in taking delivery) minus salvage. This credit may be used to purchase an animal at a future Oakey Creek Speckle Parks Sale.

Any request for replacement/credit must be lodged with the Vendor within 4 months of the Sale date and be accompanied with a vet certificate and a signed Statutory Declaration by the Purchaser to the effect that the substance of the vet report is true and correct.

FEMALES

The entry of every female constitutes a guarantee by the Vendor that if a female should prove infertile in the period of 6 months after the Sale date, for reasons other than injury, misadventure, disease, mismanagement or negligence, the Vendor will provide you with a satisfactory replacement if available or issue you with a credit equal to the purchase price (excluding any costs and expenses of the Purchased price in taking delivery) minus salvage. This credit may be used to purchase an animal at a future Oakey Creek Speckle Parks Sale.

Any request for replacement/credit must be lodged with the Vendor within 6 months of the Sale date and be accompanied with a vet certificate and a signed Statutory Declaration by the Purchaser to the effect that the substance of the vet report is true and correct.

This guarantee is exempt if the female is flushed within this 6 month period, as we believe this can be counterproductive to her long term breeding potential.

FROZEN GENETICS

All genetic material is qualified for Australia only.

All Semen Lots are stored at Holbrook Breeders, Australia.

Lot 57 is stored at Holbrook Breeders, Australia. Lot 58 is stored at Ced Wise AB Services Pty Ltd.

Insurance & freight ex Holbrook and Ced Wise Services are the responsibility of the purchaser.

All animals in the Sale are parent verified and carry the SPI pedigree assurance tick.

DISCLAIMER

All reasonable care has been taken to ensure that the information provided in this catalogue is correct. However the Vendor or the selling agent do not assume any responsibility for the correctness, use or interpretation of the information included in this catalogue.

GENETIC TESTING KEY

SNP #	SNP case number from Neogen
MSTN	NC - Non Carrier of the myostatin gene nt821 C - Carries one copy of the myostatin gene nt821
COAT	ED/ED – Homozygous black ED/e – Dominant black/recessive red
POLL	PcPc – Homozygous polled HPc – carries one copy of the horn gene
LEPTIN	CC CT TT A Leptin TT genotype animal has an increased rate of fat accumulation as compared to a Leptin CC animal.

HOW TO REGISTER with

ELITE LIVESTOCK AUCTIONS

Simply go to www.elitelivestockauctions.com.au using your desktop, laptop, iPad, iPhone or android device.

Click on the "Sign Up" page / link

Create a bidding profile using the bidder registration page.
(You can either register as a livestock agent, company or private buyer)

Agree to the Elite Livestock Auctions Terms & Conditions and the Selling Agents Sale Terms & Conditions as printed in the official Sale Catalogue

Click "Register"

You will then be notified by email that an account has been created.

Once an account has been created you are all "Set to Bid"

Each Auction can then be viewed by clicking "Live Auction" logo on the Elite Livestock Auctions website.

Once you receive email notification that your account has been created please go to the sale you wish to bid at and click "Request to Bid"

The sale will then approve your application to bid and on the sale catalogue you will see "✓ Bid Request Approved"

On Sale day simply login, click "Enter Auction" on the catalogue page and you can start bidding.
(There is no need for software download)

At the completion of the auction, invoicing will be carried out as per your registration details by the Selling Agents.

For those requesting more of Revere, we have 3 embryos paired with P30, who is a daughter of the great Codiak Belinda 66A. A great combination.

Purchaser. PRICE \$

A FEW WISE WORDS BEFORE WE GO

When buying any livestock for your herd, problems can be reduced by getting them home safely and settling them in properly.

One thing paramount with Speckle Parks is that they are a communal animal. For most of our cattle they have never been separated from their mates. It is best to allow new livestock entering your herd time to adjust to their new environment. We suggest especially with bulls, to have appropriate cattle in the yards to welcome them to their new home. We also suggest with bulls, leaving them in the yards for a decent 5 days. Let them get use to their new surrounds, knowing their mates aren't coming and give them a chance to get use to your voice and your handling procedures. This investment in time and patience will pay off in the long run.

THANK YOU, THANK YOU, THANK YOU

A few people to acknowledge and say thank you to. First & Foremost, our family & friends who have been their constantly supporting us. Our long term clients who stick by us & trust in our program. We greatly appreciate old & new clients and friends we have made in the industry.

Secondly, and in no particular order;
