

GRAYSTON PREPARATORY SCHOOL

13 May 2026

To Whom It May Concern,

It is with pleasure that I provide this reference for Prospect Construction, who have completed several projects for our school, including the resurfacing of our tennis courts, modifications to cricket practice nets, and playground rubberisation.

Throughout all projects, Prospect Construction has proven to be reliable, professional and highly responsive. Their workmanship has consistently been of a high standard, and they have always dealt promptly and helpfully with any queries or requests. Their team has worked positively with us and been readily available to assist and provide guidance whenever needed.

The projects were completed efficiently, with minimal disruption to the school environment, and we have been very satisfied with the results.

We would confidently recommend Prospect Construction for similar construction and infrastructure projects.

Yours sincerely

Ché McKay
Head of School
