REFERENCE LETTER

PROSPECTS CONSTRUCTION

To Whom It May Concern,

I am writing to provide a letter of reference for the exceptional work and services provided by Prospects Construction to Redhill School. We have had the pleasure of working with Prospects Construction on or about March, 2022 wherein they provided services in relation to the refurbishment of the tennis courts, and to date, we are extremely satisfied with the results.

Prospects Construction has consistently demonstrated professionalism, expertise, and a strong commitment to delivering high-quality work. Their attention to detail, promptness in addressing any concerns, and ability to meet deadlines have been commendable throughout our engagement.

The services provided by Prospects Construction have greatly contributed to the continuation of the use of the tennis courts by our students. Their expertise and dedication have exceeded our expectations, and we have no hesitation in recommending their services to others in need of similar assistance.

Should you require any further information or have specific questions regarding Prospects Construction's work, please do not hesitate to contact Mr. Johan Hattingh, in this capacity as Estate Manager at jhattingh@redhill.co.za or 011 783 4707.

Thank you for considering our recommendation, and we wish Prospects Construction continued success in their future endeavors.

Sincerely,

Galete Kirsch
Operations Manager
Redhill High School
