

LIMITED TRANSFERABLE WARRANTY

EXTERIOR PAINTING

HOMEPROS, LLC is pleased to offer its customers an exceptional **5-YEAR** warranty on its home exterior painting work. This warranty protects homeowners against defect in workmanship. Defects include peeling, blistering, chipping and other defects directly related to human error in the painting application. We will repair failed painted areas by preparing the surface the same as stated in the contract and touch-up paint the same as stated in the contract. We will repair failed or painted areas only where the paint is peeling, chipping or blistering. The paint color and sheen will not be an exact match in some areas of touch up due to aging and possible fading. **We will repair failed painted areas at no labor or material cost to the client.**

INTERIOR PAINTING

HOMEPROS, LLC adheres to and follows only the best painting practices and standards. Even though our professional painters take all precautionary measures to make sure our work is not defective, sometimes defects in workmanship can happen. Such defects include peeling, blistering, and chipping that expose the substrate. To protect customers against such defects in workmanship, HOMEPROS warrants its interior painting work for **2 YEARS**. We will repair failed painted areas by preparing the surface the same as stated in the contract and touch-up paint the same as stated in the contract. We will repair failed or painted areas only where the paint is peeling, chipping or blistering. The paint color and sheen will not be an exact match in some areas of touch up due to aging and possible fading. **We will repair failed painted areas at no labor or material cost to the client.**

DECK OR OTHER STAINING

HOMEPROS, LLC offers a **1-year** warranty against peeling, blistering, and chipping of any stained surfaces. We will repair any failed areas by prepping the surface area and touching up the failed area. It is important to keep the old stain around for future use.

CARPENTRY AND WOODROT REPAIR

HOMEPROS, LLC offers a **2-year** workmanship warranty on all carpentry repairs such as siding replacement, trim installation, deck/fence reconstruction and similar work. We will correct any issues related to workmanship that ARE NOT related to the material. A fence picket that bows after 6-months is not a workmanship issue.
