

UNKNOWN CAMPUS

BINCKHAVEN - THE HAGUE

Our Campus

Unknown Campus Binckhaven is the beating heart of the European impact ecosystem.

At Unknown Campus, we empower impact founders to grow their ventures from the ground up, helping them scale from 0 to €10 million in revenue.

Our flagship building, Titaan, is home to over 60 impact-driven start-ups and scale-ups that are actively shaping a better future.

By offering **offices, makerspace, flexdesks, event rooms, community events**, and access to Unknown Group's huge **public and private network**, Unknown Campus is the perfect spot to scale any impact-driven organisation.

Value for founders

Founders join the Unknown Campus because they...

Love the vibe: Our buildings are places where you want to spend time.

Overcome barriers: Share experiences with fellow founders.

Generate opportunities: Tap into the network of Unknown Group, residents, and visitors.

Attract & retain talent: Leverage our community, atmosphere, and facilities.

Develop themselves: Stay updated through events, programs, and education.

RESIDENT TESTIMONIALS

SHARE IMPACT ACCOUNTANTS

"We immediately felt at home upon joining. Impact is in our name, but the positive energy the building holds also touched us. Titaan, an old building, but entirely in trendy style and beautifully renovated perfectly fitted our sustainability mission."

Hugo Hollander

EURO BATTERY GROUP

E B G

"It is a place where, through fun activities and events, you can easily connect with a wide range of people and companies, which provides opportunities to exchange ideas and inspire each other to solve today's energy challenges."

Charlotte Dethmers

MILGRO

"We were looking for an inspiring and connecting location for two new ventures, which offer an approach to the new economy, locally. Titaan is the location to do that in The Hague. This is where history and development towards the new economy come together for us."
