

Hope St. Project for the Homeless

Tiny Home Construction SPONSORSHIP FORM

Wilder Construction LLC is building tiny homes on wheels for homeless in our area, but we need your help in finishing and making these homes functional. The Hope St. Project involves Community members like you and me working together to rebuild lives, transform individuals and families in need. Please review the wish list below for current and future tiny homes.

Possible items to sponsor. Please check boxes where you are able to contribute:
