FRANKENMOG LYRICS

Frankenmog! Frankenmog!
Here comes our friend, so strange and strong!
Frankenmog! Frankenmog!
Kindness is where we all belong!

On a stormy night in Purrlington town,
When the thunder rumbled and the rain came down,
Professor Paws had a plan so grand,
With a flash of lightning... and a shake of his hand!

Fox ears, bat eyes, a doggy nose,
Rabbit legs that leap wherever he goes,
Otter paws and feathers that fly,
A rainbow tail that lights up the sky!

Frankenmog! Frankenmog!
Here comes our friend, so strange and strong!
Frankenmog! Frankenmog!
Kindness is where we all belong!

Don't judge a book by its cover,
Look inside and discover
A heart that's brave, a heart that's true,
A heart that cares for me and you!

Frankenmog! Frankenmog!
The friendliest monster you ever knew!

The villagers gasped when Frankenmog came,
They saw something different and shouted his name.
"Monster!" they cried, but they didn't know,
The kind little heart hiding down below.
So Frankenmog wandered through the Whispering Wood,
Wondering whether he'd ever be understood.

Then Ninja Whiskers appeared from the night,
Digby Moonboots came rolling in sight,
And Hazel Hoot with her big owl eyes,
Said, "Different is wonderful-don't believe lies!"

LYRICS

Frankenmog! Frankenmog!
Here comes our friend, so strange and strong!
Frankenmog! Frankenmog!
Kindness is where we all belong!

What's that hiding in the night?

Mechanical monsters—what a fright!

They've stolen Purrlington's Moonstone bright,
And disappeared into the forest night!
But Frankenmog and his friends won't run,
They'll work together till the mystery's done!

Together they're the greatest team
The spooky woods have ever seen!

Frankenmog! Frankenmog!
Here comes our friend, so strange and strong!
Frankenmog! Frankenmog!
Kindness is where we all belong!
