

The background is a vibrant blue space scene. It features a large green and blue Earth in the top left, a grey cratered moon in the top right, and another Earth in the bottom center. Various celestial bodies are scattered throughout, including a yellow comet with a black hole, a ringed planet with orange and red stripes, and several smaller planets. Two orange and red rockets are shown flying upwards, leaving white smoke trails. In the bottom right corner, a purple dog wearing a white astronaut suit and purple goggles is floating in space.
