

DINOWORM LYRICS

He's small, he's slimy, he's wriggly and warm,
He's not just any worm—he's Dino Worm!
With a helmet on his head and a RAWR in his soul,
He's ready for action – that's his goal!

RAWR! RAWR! Here he comes!
Wiggle in his tail and dirt on his tum!
RAWR! RAWR! Hear him shout!
Dino Worm is crawling out!

Butterflies giggle, beetles blink twice,
Ladybirds tumble (but they're still nice!)
He may be small but he's got big dreams,
And a dino-sized heart bursting at the seams!

RAWR! RAWR! Loud and proud!
He's roaring now, he's drawing a crowd!
RAWR! RAWR! Watch him go—
The tiniest dino with the biggest show!

"I'm not just a worm...
I'm DINO WORM!" RAAAAAWR!
