

# GERALD THE FISH LYRICS

Wave hello, say hi, come on and see,  
Gerald the Goldfish – as happy as can be!  
Swim, swim, swim Gerald's on the go,  
Goldfish with a shiny tail that glows!

Gerald the Goldfish, swimming all day,  
Blowing tiny bubbles as he plays!  
Flipping and flipping, around he goes,  
Everyone loves Gerald – the star of the show!

Wiggly fins and big bright eyes,  
He's the coolest fish, a fun surprise!

Gerald the Goldfish, swimming all day,  
Blowing tiny bubbles as he plays! Flipping and flipping,  
around he goes,  
Everyone loves Gerald – the star of the show!

Gerald, Gerald – splash and gleam,  
The happiest goldfish in our dream!
