

JEFF THE CUPCAKE MONSTER! LYRICS

He's big! (Yeah!)
He's blue! (Woooo!)
He's bouncy! (Boing!)
And he's bakin' for you!

In the middle of the Wobbly Woods,
Where monsters roar and shake the goods...
Lives a monster who's one of a kind -
With cupcakes, sprinkles, and a heart that's kind!

Jeff! Jeff! The cupcake monster!
Not a stomper - he's a froster!
Spreads sweet joy wherever he goes,
With sugar and smiles and pink tip-toes!

Jeff! Jeff! He's breakin' the mold,
With kindness warm and cupcakes bold!
He's the hero with an oven mitt -
One kind act, and the forest is lit!

Grumpy monsters? He bakes 'em a pie.
Scaredy squirrels? He winks an eye.
A swirl of love in every tray...
Jeff makes the gloom go whoosh away!

Jeff! Jeff! The cupcake monster!
Kindness first - that's his mantra!
He melts hearts with every treat...
And leaves a trail of sugar-sweet!

JEFFFF! (Woo!) The cupcake monster!
