

LITTLE LITTLE TEDDY BEAR LYRICS

Who's always there, with fuzzy hair?
It's Rupert - the teddy bear!
Jerry's best friend everywhere...
LITTLE LITTLE TEDDY BEAR!

When Jerry's scared or feeling shy,
He hugs Rupert and holds him high.
They tell tall tales and jump on beds,
With giggles, songs, and teddy-heads!

Little Little Teddy Bear,
Always near, always care.
Big brave heart in a tiny size,
Helping Jerry rise and rise!

Mum wrote a song, and Jerry sang,
With Rupert close, he took a stand.
A stage, a cheer, a magic show...
With Teddy Bear, he stole the show!

Clap your paws and wiggle your nose,
Rupert's ready - here he goes!
Teddy strength and love to share...
LITTLE LITTLE TEDDY BEAR!

🎵 Little Little Teddy Bear,
Always love, always there!
From bedtime snugs to crowds that stare...
LITTLE LITTLE TEDDY BEAR!
LITTLE LITTLE TEDDY BEAR!
