

DETECTIVE BREWBEARD LYRICS

Detective Brewbeard, he's a goat so grand,
Glasses on his nose, coffee in his hand!
He pumps his hooves, he leaps, he zooms,
Solving crazy mysteries in the forest of blooms!

Brewster Hopps is hopping, tea cup in tow,
agnifying spectacles ready to go!
Together they sniff, they search, they spy,
No case too tricky, no mystery too sly!

Brewbeard and Brewster!
Hop, pump, sip, splash!
Brewbeard and Brewster!
Solving crimes in a flash!
Coffee spills, tea thrills,
Every forest clue they'll catch!
Brewbeard and Brewster!
Hooray! Hooray! Hooray!

Squirrels, raccoons, and geese in a row,
All the animals have secrets to show!
Brewbeard pumps, Brewster thinks,
Mixing coffee and tea with clever little blinks!

Brewbeard and Brewster!
Hop, pump, sip, splash!
Brewbeard and Brewster!
Solving crimes in a flash!
Coffee spills, tea thrills,
Every forest clue they'll catch!
Brewbeard and Brewster!
Hooray! Hooray! Hooray!

Hop-hop-splash! Pump-pump-beep!
Detective Brewbeard... and Brewster too!
