

NINJA WHISKERS: PAWS OF POWER LYRICS

Who's got claws, a cape, and ninja flair?
Fights for magic in the garden air?
It's... NINJA WHISKERS!

She's sleek, she's fast, she's on the prowl,
With silent steps and a mighty meow!
Up in the clouds where the blossoms bloom,
She guards the Sky Garden from doom and gloom!

****Ninja Whiskers! Paws of might!****
Sneak in' through shadows in the moonlight
****Ninja Whiskers! Smart and sly!****
Saving the sky from the jungle sky-high!

With quirky friends by her furry side,
They battle baddies far and wide!
Magic plants, they must defend,
To keep the balance till the end!

Who flips through trees like a breeze?
****Ninja Whiskers! That's who she be!****
Who zaps foes with ninja grace?
****Whisker-kick right to the face!****

****Ninja Whiskers! Brave and bold!****
Guardian cat with a heart of gold
****Ninja Whiskers! Sky so bright!****
Saving Jellybean Jungle night after night!

"Shhh... stay quiet, stay kind, and always protect the magic."
