

QUEEN LUNA LYRICS

Luna the Moon Rabbit!
Queen of the Crescent Kingdom, oh wow!
In her cheese palace glowing,
She's always brave and knowing
Adventure's calling... right now!

Up in the sky where the stars all gleam,
Lives Luna the Rabbit on a moonlit dream!
With a hop, hop, sparkle and a crown so bright,
She rules the Crescent Kingdom every single night!

Luna the Moon Rabbit!
Queen of the Crescent Kingdom, hooray!
With her moon-dust lantern shining,
And her friends all close and smiling
There's magic on the Moon today!

"Peek over the edge, what do I see?
A brand-new adventure waiting for me!"

Luna the Moon Rabbit!
Cheese-loving queen of the stars above!
In her glowing crescent nation,
She leads with heart and imagination
Luna's Kingdom's filled with love!

(Sparkly twinkle-out ending... "La-la-la, Luna!")
