

SKY CAPTAIN STEVE LYRICS

Sky-high trouble, sweet surprise,
Three brave buddies in the candy skies!
Steve, Whiskers, and Dino-Worm too -
Saving the clouds for me and you!
Spin that licorice, bounce off gumdrops,
They don't stop 'til the trouble stops!

Mirror pigeons with a tricky stare,
Try to block 'em mid-air dare!
But teamwork, giggles, and ninja skill,
Turn the sky from gloom to thrill!

Grumpy Pigeon guards the zone,
But a cookie buffet can soften stone!
They toss him snacks, he cracks a smile,
And joins their flight for a sugary mile!

Sky-high trouble, sweet surprise,
Zooming together 'neath bubblegum skies!
Steve, Whiskers, and Dino-Worm too -
Chewing through clouds like heroes do!

Who's got feathers and leads with pride?
(Sky Captain Steve, he's our guide!)
Who flips silent through the mist?
(Whiskers lands - you get the gist!)
Who disco-roars with a wormy grin?
(Dino-Worm, let's dive in!)

So grab your goggles, join the crowd,
They're chasing down that Cotton Candy Cloud!
Flying sweet with joy and might,
They're saving dreams in candy flight!
Steve, Whiskers, and Dino-Worm too -
They do it all for me and you!

🎤 Up, up, up with a laugh so loud...
They're the heroes of the Cotton Candy Cloud!
