CONTEMPORARY FINE ART

*COLLECTOR &
ARCHITECTURAL EDITIONS*

NOUSHKA STUDIO

Large-scale monochromatic works exploring the hidden structures of nature, instinct and memory.

Each work is meticulously hand-drawn on a digital medium before being individually fabricated to the studio's exacting specifications.

HAND-DRAWN DIGITAL PRACTICE

Every detail is carefully hand-drawn and developed with precision and intention.

GALLERY-GRADE PRESENTATION

Produced using top-quality acrylic or architectural aluminium composite for lasting quality.

LIMITED EDITIONS WORLDWIDE

Each artwork is released in strictly limited collector and architectural editions.

CREATED FOR EXCEPTIONAL SPACES

Designed for collectors, interior designers, architects, and hospitality environments.

EDITION MODEL

- Each Noushka Studio composition is released in **six worldwide editions**.
- Three are **Collector Editions** behind clear acrylic.
- Three are **Architectural Editions** on aluminium composite.
- Once all six are sold, the composition is retired permanently.
- No future reproductions will be made.
- Ownership is limited to six acquisitions, ensuring rarity and significance.

As editions are acquired, pricing increases progressively. Earlier edition numbers are offered at lower acquisition prices than later edition numbers, reflecting the increasing scarcity of the work as the edition approaches retirement.
