Come Holy Spirit, Come!

# A LETTER FROM THE PASTOR

Dear Brothers and Sisters,

Today marks the beginning of World Marriage Week, and as part of our vocations promotions, we promote the Sacrament of Marriage in addition to the Sacrament of Holy Orders to the Priesthood and Diaconate, as well as religious life.

Sometimes, the promotion of the Sacrament of Marriage gets left behind in our zeal to promote vocations to the Priesthood, especially. It is an important thing to do, especially because we are in such need of young men to discern a life to the Diocesan Priesthood.

But Marriage will be the Sacrament that most people will – and have – found to be their vocation. And entering into Holy Matrimony through the Church is a great gift.

Fewer and fewer people are entering the Sacrament. In 2000, there were nearly 267,000 marriages in the Catholic Church. In 2024, that number dropped to just over 110,000. That is a HUGE drop.

That follows a smaller drop in marriages in general in the United States. In 2000, there were 2.3 million marriages; in 2024, there were 2 million.

People just aren't getting married at the same rate as they have in the past. Marriage is hard, and even though I am not married, I believe it to be harder than a life as a priest. I have to know what God wants me to do, and then have the courage to do it. A married couple has to know what God wants them to do, agree to do it together, and then have the courage to do it. It is so hard for two people to be on the same page.

I pray for our married couples, and for those who are considering the Sacrament of Marriage. While it is hard, it is also so rewarding. Our married couples, when they sacrifice for each other and live for each other, show me how to live as Jesus lives. You show me how to be a better priest. Thank you for choosing marriage.

If you've been civilly married, but not married in the Church, and would like to explore a way to have your marriage "convalidated" (made a Sacrament), please let me know! Many people initially get married by the state outside of a church for many reasons, but later in life want their marriage made a Sacrament (some people say, "have their marriage blessed").

If it is possible to do so, I want to help you do it, and please contact me by E-mail or phone. There may be other steps involved, but we can see what we need to do to make it happen.

Marriage is such a great gift. Every year, I attend the Mass for the couples in our Diocese who reach 50 years of marriage. There are always at least a few couples from Seven Sorrows who reach that milestone. Seeing them with their families, I wonder what would happen if God had not blessed that couple with marriage, and how we would not know of those family members brought into the world by that couple!

There was a woman who survived the Holocaust, Shoshana Ovitz. She was the lone survivor of her family. She married her husband, and in 2021 had a picture taken with her family at the Western Wall in Jerusalem. She took the picture with her over 400 descendants!

That marriage produced 400 people who would not know life! Wow.

I think of my own parents, married over 55 years, and the difficulties and struggles they overcame every day in their marriage. I'm so grateful for their "I dos" at Holy Trinity in Columbia, PA on Sept. 27, 1970, and have lived since then.

May God bless all of our married couples, and may God bless those discerning marriage. Please know of my love and support for you, and our Lord's desire for you to find fulfillment in that awesome life! God bless you!

Fr. Sahd
