

Heavenly Father,

We are grateful for your Son, who shed His Blood for us and pours it out to us on the Altar at Seven Sorrows. Because of this, we have Eternal Life. This parish is our connection to you. As we continue to grow in love of you, our physical needs as a parish grow, too. We ask your help in guiding us to making the proper decisions in spreading your Son's Holy Name and mercy to everyone in our community. May you be glorified in all we do! We ask this through the intercession of Our Mother of Sorrows, and in Jesus' Name, Amen.
