MSA Solutions for Employers of All Sizes

Self Employed	Groups with 2-19 FTEs	Groups of any Size
- The most HSA-like options in Medicare Advantage - Most of the group fee is passed through to the member's MSA bank account - Group chooses monthly or annual fee/deposit schedule - Also available to spouses	- Significant savings vs commercial plan costs - Shift risk and lower premiums for all employees - A supportive, easy transition into Medicare with excess deposits for extra costs	2 options for eligibles to consider (group offers both at no cost to its eligibles) - More options plus education can lower costs when eligibles choose the non-commercial plan - Same plan designs in all states plus D.C.
