

PICOCANOA

RODAVENTO

PICOCANOA, RODAVENTO'S ADVENTURE VILLAGE

Located in the heart of the Veracruz jungle, PICOCANOA is the starting point for discovering some of Mexico's most spectacular landscapes.

Here, the days can be spent among rivers, canyons, waterfalls, and

trails; and nights around the campfire under the stars.

More than a place to stay, PICOCANOA is a community of explorers where every experience begins outdoors.

ADVENTURE LIVES HERE.

PICOCANOA was created for travelers who would rather get their shoes dirty than follow a polished itinerary.

From rafting and canyoning to hiking, climbing, biking, chasing waterfalls, and embarking on expeditions, these adventures are paired with a warm, genuine hospitality to create an experience you won't soon forget.

Every day offers a new story to tell.
