

Autism Practical Support

MASCOT DESIGN COMPETITION

Who Are APS?

Autism Practical Support (APS) is here to help autistic children and their families feel supported, included and celebrated. We want every young person to feel happy, understood and able to be themselves.

APS supports families in lots of ways, including:

- **1:1 Support** for Children who might be finding things tricky
- **Youth Clubs & Groups** where children and young people can have fun, make friends and build confidence
- **Parent Support & Advice** to help families understand their child's needs
- **Workshops & Events** for parents, carers and young people
- **Sensory Support & Strategies** to help children understand their sensory needs
- **Counselling support and wellbeing sessions** for children and teens
- **A welcoming community** where autistic young people and families feel understood

APS in Schools

We work with schools to help autistic pupils feel understood and supported. This includes sharing practical strategies for the classroom, running autism-acceptance assemblies and workshops, and supporting families and teachers.

Our Goal

- **Every child feels understood**
- **Every family feels supported**
- **Every school is supported in becoming more inclusive**

Why Enter Our Competition?
