

Bus Information

Local school districts provide bus transportation for **Kindergarten through 8th graders** to Seven Sorrows BVM School if the distance is not more than 10 miles from the border of their district. This is your tax dollars hard at work!

School Districts currently providing bus transportation to our school:

- Central Dauphin
- Derry Township
- Elizabethtown
- Harrisburg
- Lower Dauphin
- Middletown
- Steelton-Highspire

What should parents do?

Our school office handles the paperwork to set up bus transportation for our students. If your child needs bus transportation, please let us know via one of these methods:

- Check “yes” for bussing on your application or re-registration form
- Email **admissions@ssbvm.org**
- Call our school office

What happens next?

- Our school office will submit the necessary forms to your school district.
- After processing the paperwork, your school district will notify you and will assign your child a bus number, stop location, and stop times.

When will bus transportation start?

- Students who enroll (and inform us they need bussing) by July 31st will have bus transportation starting the first day of school.
- Students who enroll (and inform us they need bussing) during August or during the current school year may have a 2 week waiting period for bussing start date. During this waiting period, parents will need to arrange transportation to and from school.

Your school district is not listed above?

- Please contact our school office. We will gladly find out if your school district provides bussing to our school.
