TOILET INDEPENDENCE

Children in our preschool programs should be fully toilet trained and able to use the bathroom independently, including communicating their needs, managing clothing, wiping, flushing, and washing hands.

Accidents may happen, and our teachers will assist as needed. This expectation helps ensure a safe, comfortable environment for all students.

WHY CATHOLIC EDUCATION?

Catholic Schools outperform public schools by as much as 20% on national testing. In addition, SSBVM students score about 5% higher (on average) on math and reading standardized tests than other Catholic schools in the Harrisburg Diocese.
