

Student Referral Incentive 2026- 2027

As a school family, you have an incredible influence on those around you.

To thank you for referring new students and families to Seven Sorrows of the Blessed Virgin Mary School (SSBVM), we offer a **Student Referral Incentive Program**.

For each new family that is referred to, enrolls in, and attends SSBVM for a full year, we will award the referring family a \$250 tuition credit.

To qualify for the credit, you must:

- Be a current (K-8th gr) family who pays tuition.
- The referred family must pay their tuition in-full by the end of that year, without any outstanding balances.
- New family must attend at least 8 months of school prior to credit being awarded.
- Must have this Referral Form on file **within 2 weeks of the new family starting**.
- Must fill out a separate form for each family you refer.
- In case of multiple claims for the same new family, the referred family will be consulted about the distribution of the award.
- Referring families with enrolled students have the option to designate their incentive to our Scholarship Fund or our Annual Fund.
