As a result of your efforts, several hundred bread tags were again collected to help obtain wheelchairs and mobility assistance equipment for those in need. In addition, an assortment of old keys were donated to assist SCARCE in their recycling and education efforts. The drive also collected a box full of pop-top tabs for Ronald McDonald House. Please continue to save these items for another drive tentatively to be scheduled for April, 2026. Again, thank you and God bless!

## Bishop Hicks' Column October 2025

### MAKE

When I arrived as your bishop five years ago, I laid out a vision of catechesis, evangelization, and faith into action, emphasizing that a thriving Church is one where we truly know, love, and serve God. The big question remains: how do we actually do that? How do we move from just having a vision to putting it into real practice?

This is why I wrote the pastoral letter *MAKE!* and launched it just this month. It builds on [Bishop Conlon's 2018 pastoral letter GO!](#), which draws on the Great Commission in Matthew's Gospel ([Matthew 28](#)): "Go and make disciples." *MAKE!* vulnerably reflects my heart. I love Jesus, and I want you to love Him too. It expresses my desire to give everyone a practical, loving roadmap to becoming disciples and making disciples, with a hands-on guide for passing our faith from one generation to the next.

Right before publishing it, I have to admit that I was filled with some self-doubt. I wondered, "There are so many other issues I could be writing about: the Eucharist, Pro-Life concerns, Vocations, Care of Creation, Immigration, Violence, and more. Is making disciples really the best topic?"

The Holy Spirit answered that question for me last month during a meeting at the headquarters of the [United States Conference of Catholic Bishops \(USCCB\)](#) in Washington, D.C. Our committee was presented with the results of a large national survey of thousands of priests across the country. One question asked, "Out of all the issues in the world, which one most needs to be addressed by our Church?" The number one response from priests nationwide was clear: passing the faith on to the next generation.

The statistician went on to explain that this does not mean priests consider the other issues unimportant. Rather, they recognize that if we do not have people in the pews, if this generation and the next are not alive in their faith and participating in the life of the Church, then all of those other issues will

eventually lose their voice in the Church. We first need to form disciples who are rooted in Christ, so that they in turn can carry the mission forward and address these other urgent concerns with faith and courage.

This is why *MAKE!* is so important. It is not just another document, and it is certainly not meant to sit on a shelf and collect dust. It is a living invitation to every Catholic in our diocese to move from simply managing decline to boldly embracing mission. We all want to belong to a Church that is alive, thriving, and centered on the salvation of souls. That future depends on how seriously we take this call to be made into disciples so that we can go out and make disciples.

The letter offers a clear path: conversion, confession, communion, commission, all held together by prayer. These are not abstract concepts but real, concrete steps that anyone can begin today. I both invite and urge you to read the letter. And then read it again. Pray over it, discuss it with your family, your friends, or a group in your parish. Choose one small action and begin.

If each of us takes this seriously, with the guidance of the Holy Spirit, the Diocese of Joliet can become a Church on fire with love for Jesus. Boldly, I want our diocese to be the most evangelizing diocese in the country, not out of competition, but because I love Jesus, and I want you to love Him and be saved through Him too. This is our time, and this is our mission. Let us first be disciples, men and women of all ages who know, love, and serve Jesus, so that together we can go out with joy and courage to *MAKE* disciples, starting now.

## FAMILY TIME: HOW TO DISCUSS THE GOSPEL WITH YOUR CHILDREN!!!!

## Questions:

- + Do cell phones ever run out of battery?
- + What do we do when they run out?
- + Does a cell phone need a lot of battery power to work?

## Tie it to the Gospel

- You may be wondering why we are asking questions about a cell phone battery when the Gospel is talking about mustard seeds and servants.
- We brought this up because cell phones need very little battery power to work.
- Jesus' disciples are asking him for more faith (more battery power) but they only need a little to do the work that God is calling them to do.
- We just need a little faith to keep us going!

## Our Mission:

- So even though Jesus is telling the disciples that they don't need GREATER or STRONGER or INCREASED faith, what he does teach them over and over again is that their faith needs to be recharged.
- In fact, most of what Jesus teaches his disciples is about how to recharge their mustard-sized faith by paying attention to God.
- And, guess what!? We can recharge our faith in the same ways Jesus taught his disciples to recharge their faith - we can pray, go to Church, and receive Jesus in the Eucharist!!!!

MISSIONARIES OF HOPE  
among the Peoples

SHARE: GIVE NOW

### World Mission Month: A Call to Hope

Each October, the Church invites us to rediscover our missionary vocation. This year, Pope Leo XIV, following the inspiration of Pope Francis, calls us to become "Missionaries of Hope Among the Peoples," inspired by St. Paul's words: "Hope does not disappoint, because the love of God has been poured out into our hearts through the Holy Spirit" (Rom 5:5). Let us begin this month with open hearts, ready to respond to the Church's call to support the **1,124** mission territories where the Church is young, growing, and often persecuted. Together, may we be bearers of hope where it is needed most.
