## Celebrating OSCR Volunteers

National Volunteer Week is April 19<sup>th</sup> to 25<sup>th</sup>.

While we are grateful for our volunteers year-round, this week is a special time to honour and thank them for their dedication & commitment to OSCR.

## Onsite Dental Hygiene Program

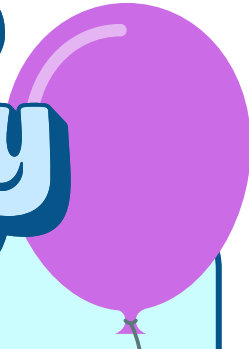

Kelada Dental Hygiene is offering onsite dental appointments to OSCR clients residing in the Residential Tower.

The first clinic date is April 13th. Clients who are interested in booking an appointment with the hygienist must do so directly by calling (514) 594-2779 or through our Reception. Please note that availability is limited.

**Below are the services the Dental Hygienist is able to provide within this program:**

- Dental & periodontal exam
- Creating a treatment plan
- Oral cancer screening
- Removing dental plaque
- Removing dental stain
- Fluoride & sensitivity treatment
- Whitening
- Sealants
- Temporary fillings
- Referral to a dentist or specialist if needed

# Window Cleaning

Our contractor, See Thru Window Cleaning, will be on site to clean all interior and exterior windows from April 27<sup>th</sup> to May 8<sup>th</sup>. Please remove all items from your windowsills. Access to your suite will be required.

# Staff Spotlight

This month our Staff Spotlight shines on Narda, who has worked as a PSW at OSCR since 2010. We are grateful for her 16+ years of dedication to the organization, as well as the compassionate care she provides to OSCR clients. Be sure to say hello to Narda the next time you see her around OSCR!

## OSCR SENIORS ASSOCIATION

The Seniors Association would like to wish all OSCR residents a Happy Spring!

### *Resident Guide* *Recap: Fire Safety*

Each suite is equipped with a smoke detector that is connected directly to the main fire alarm and the fire sprinkler system. The door to your suite is a fire door. It will close automatically when the fire alarm goes off. Do not prop it open, as this door is an added safety feature. Please note, the door will be difficult to open after the fire alarm has sounded; this is normal operating procedure and there's no need to panic.

**Signs outlining the fire procedures are posted in the elevator lobby on each floor and at all pull stations.**

Once the fire alarm has sounded, the elevators will return to the main floor and cease operation. Knowing how to respond in a fire situation is important. We encourage you to read and become familiar with these procedures.
