## BLACK HISTORY MONTH

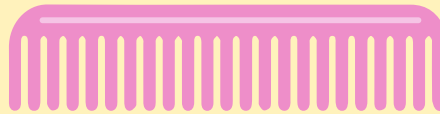

February is Black History Month. This year's theme is "Honouring Black Brilliance Across Generations — From Nation Builders to Tomorrow's Visionaries". As we mark three decades of Black History Month in Canada, we recognize the enduring legacy of Black Canadians, whose leadership, creativity, innovation and resilience have shaped our past, continue to influence our present, and inspire future generations.

## Staff Spotlight

This month our Staff Spotlight shines on Client Services Supervisor Ayrhene. She started her career at OSCR as a PSW in 2015, and has been in her current role since 2025. Be sure to say hello to Ayrhene when you see her around OSCR!

## OSCR SENIORS ASSOCIATION

The OSCR Seniors Association will be creating a 2027 OSCR Calendar. They will require client volunteers to be featured in the photos; stay tuned for more information about how to participate!

The OSCR Seniors Association would like to remind everyone that February is the month of love & caring for one another. Take some time to show respect and appreciation to your fellow residents.

## *Resident Guide Recap:* **Building Security**

The inner front door in the lobby area is locked at 8:30 p.m. After this time, your friends/family members can always enter by ringing the doorbell located on the wall beside the front door. A staff member will respond to the doorbell. Your pass-thru key will open this door if you arrive home after this time.

Please do not open the doors for anyone; anyone wishing to enter the building after 8:30pm must use their key or the doorbell for entry.

You must use your pass-through key to enter the Apartment Tower through the walkway at all times. The controlled doors leading into the Apartment Tower are for your own safety.

The doors at the end of the recovery wing are locked and alarmed for additional security. There are CCTV security cameras throughout both towers.
