Stay connected with OSCR TV!

Channel 398 is OSCR's in-house TV channel. If you have a Cogeco cable box or Cogeco EPICO, you can tune in and enjoy OSCR exclusive programming, where you'll find updates, information, and content created just for OSCR clients.

If you have Cogeco EPICO and would like to add the OSCR channel app, please reach out to HLP staff—they would be happy to help get you set up.

Please join us on Wednesday, Nov. 18th at 2pm for a meeting regarding the OSCR channel.

A MESSAGE FROM PROPERTY MANAGEMENT:

Annual unit inspections will begin the first week of December.

Maintenance staff will visit your suite to conduct their inspection.

Please reach out to Property Management if you have any questions.

REMEMBRANCE DAY

On November 11th, Canadians across the country gather to honour & remember all of the brave veterans who served in wars, and those who made the ultimate sacrifice. Remembrance Day is a time to reflect on the importance of peace, and to be grateful for the freedoms we have thanks to their efforts. **The Remembrance Day service at OSCR will begin at 10:30am on November 11th.**

PEDESTRIAN CROSSING: SAFETY FIRST!

Staff have noticed that many residents are jaywalking across the road in front of OSCR- this is very dangerous and could result in an accident. Lakeshore Road is an extremely busy street; construction in Bronte has increased commercial vehicle traffic in the area. The recent time change means that it gets darker earlier in the evening, and pedestrians are not as visible to drivers as they are in daylight.

Please cross safely using the designated pedestrian crosswalk, or at the traffic lights at Lakeshore Rd. & East St.

Resident Guide Your *Recap:* Security

While you are free to come and go, OSCR has several security procedures in place for your well-being while you are living here:

24 Hour Staffing: There are Client Services staff on-site 24/7.

Dining Room Checks: Please use the meal sign out on the sheet, located on the 1st floor across from the elevators, or advise Food Services if you will not be attending lunch or dinner. If you have not reported your absence, the staff will attempt to reach you by telephone. If there is no answer, staff will proceed to enter your room to check on you.

Overnight and Vacation: If, on occasion, you will not be in the building overnight or longer, please advise the Client Services office of your absence.

This month our Staff Spotlight shines on Letty, who has worked as a Personal Support Worker at OSCR for over 16 years. We appreciate the care & support she provides to OSCR clients.
