

## “Daily Motivation”

Southern Lakes Church  
Pastor Ken Brummel 3-8-26

1. What are some things that you historically procrastinate on doing? What part does motivation play in that procrastination process?
2. READ Acts chapter 4. What questions, observations, or thoughts jump out at you from this chapter?
3. Reread Acts 4:13. What was it about Peter and John that made it apparent that they had been with Jesus? How is that same thing true for us? Can you think of some specific ways you have observed this to be true in the lives of others?
4. If you are married, how long have you been married? What happens in a good marriage over the years... do the two become more alike or more different? How does that same thing occur when we spend time with Jesus over the years?
5. Share your Daily God Time habits and be open about how you can pray for one another to have greater motivation to spend time with God daily.
6. Reread Act. 4:20. What were some of the things that Peter and John experienced concerning the goodness of God, and how did that feed their boldness?
7. What is your favorite restaurant and favorite menu item? Do you ever tell others about it? Do you have the same boldness when it comes to telling others about the gospel and the goodness of God?
8. Read Psalm 23:5-6. Talk about how a cup running over will provide motivation, and how a cup that is running empty will not.
9. What is and is not Boldness? Where does the right kind of boldness come from based on Acts 4:24-31?
10. Motivation is a funny thing... it seems that you need motivation to do the things that lead to motivation. Talk about how this can be a vicious cycle and what to do if you are not motivated to pray.
11. Discuss the importance of praying for the following. What would you add to the list?
  - A burden for the lost. (I Jn. 4:10-11)
  - Greater love. (I Cor. 16:14)
  - Eyes to see the opportunities. (II Pet. 3:9)
  - Courage to step out of our comfort zones. (Acts. 4:9)
12. Review the BOLD theme verse (Acts 4:31). Do you have it memorized? What were some of the results listed in this chapter? What are some of the potential results if we pray for BOLDNESS Daily?
13. Think about the world events of late. How should they motivate us to be BOLD?
14. Spend some time in prayer asking God to enable SLC to finish the BOLD initiative strong (not coast) and to sustain and grow in our Boldness.
