

SURGE AQUATICS EQUIPMENT LIST

Equipment can be purchased here:

<https://www.swimoutlet.com/collections/surgeaquaticsboutique>

Important Notes:

- The team suit listed on SwimOutlet is optional.
- Swimmers must bring close-toed athletic shoes (sneakers, tennis shoes, not Crocs) to every practice. This ensures safety for dryland activities.
- Please label all equipment with your swimmer's name.
- Water bottles are recommended for every practice. Swimmers should not need to get out of the water continuously during workouts to use the water fountain.
- Either fin option listed on the team website will work for Bronze, Silver, and Gold swimmers. For younger swimmers, we recommend the less expensive option because they may outgrow their fins quickly.
