I am giving Shoreline Investment Services Inc. authority to charge my Credit Card for my monitoring services and give them authority to adjust any incorrect charges that may occur. I will need to sign; print and date this original document and return it to Shoreline Investment Services Inc. (Monitoring Act. Dept.) If I wish to cancel this service, I will need to send written notice 60days prior to the charge to the Monitoring Accounting Dept. If my credit card is declined, Shoreline Investment Services Inc. has the right to try the card for a second day. If at that point the payment does not go through, we at Shoreline Investment Services Inc. will contact you, the client, to discuss other options for payment.
