## Disbursements

Disbursements are items arranged for and possibly paid for on your behalf by us. You are expected to pay for these items at the time the contract is entered into. The following are some items that are often identified as disbursements.

**Coroner's fee** – this is a fee charged by the coroner for issuing a certificate that allows cremation to take place. The fee is set by the Chief Coroner for Ontario.

**Clergy honorarium/ Musicians** – this is an amount paid to the clergy for their services. In some cases the amount is set by the clergy, in others it is an amount to be determined by you.

**Newspaper or radio notices** – these are charges for death notices placed in newspapers or radio or other media outlets.

**Municipal death registration fee** – this is a fee charged by the local municipality to register the death. The fee is set by the municipality and may vary.

**Catering services** - Typically done by church groups, the fees are based off of a donation towards the church group. This donation is at cost and the funeral home does not receive any compensation. Other services are available at the discretion of the family.

**Flowers** – we are glad to assist you with flower selection from the florist of your choice

**Cemetery Services** – we will provide payment for cemetery charges. These charges are at the cost of the cemetery. In most rural cemeteries there is an additional fee of \$ 175.00 when a vault has been selected and \$ 550.00 when a vault is not selected for cemetery grass and device.

## Payment, financing and funding

We are proud to offer various payments, funding and financing options to our clients.

### Payment of at need services

Unless otherwise specified, payment is due within 30 days of signing the contract. Payment may be made by cash, or cheque, we do not accept credit card or debit card as banks fees are too high. Payment plans are also available to meet most budgets. Financing charges apply to payment plans. Beyond the allotted time, interest will be charged at a rate of 2% per month which is equivalent to 24% per annum (APR).

If you are prepaying for services or supplies, pre-authorized chequing is also available.

### Funding

For your convenience, we offer two funding options when prepaying services or supplies. When prepaying, you pay for the services and supplies today and the money will be used to pay for the services and supplies when they are delivered at the time of death.

**Trust:** You may pay the money directly to us and we will place it in trust, where it will accrue interest until the contract is fulfilled (when the services and supplies are delivered) or the contract is cancelled.

**Insurance:** You may purchase an insurance contract where the proceeds of the insurance contract will be used to pay for the services or supplies at the time they are delivered or the contract is cancelled.
