## What is Discipleship?

**Discipleship** through the lens of *Let There Be Light* is about walking closely with others as we learn to follow Jesus in the fullness of our everyday lives.

It's an intentional space for spiritual growth, honest conversation, and transformative connection.

Discipleship is not about perfection or performance. It's about being shaped over time: rooting our identity in truth, aligning our lives with God's heart, and learning how to carry light, even in the darkest places. Whether you're new to faith or longing to go deeper, discipleship invites you into a steady, life-giving process of becoming more like Christ.

## How Do I Know if Discipleship is for Me?

**Discipleship is for you if:**

- 💡 *You want to grow in your faith, no matter where you're starting from*
- 💡 *You're curious about Christianity or exploring who Jesus is*
- 💡 *You've followed Jesus for years but desire deeper roots and renewed purpose*
- 💡 *You want to wrestle with hard questions in a safe, honest environment*
- 💡 *You're longing for spiritual growth that impacts your real, everyday life*

*If you're drawn to growth, truth, and community and you don't want to walk alone, discipleship is likely a good next step.*

## What Does It Look Like to Be Discipled?

**Being discipled looks like intentionally walking alongside others as you learn to follow Jesus more fully. Together, we:**

- 💡 *Study God's Word and learn how to engage Scripture thoughtfully and faithfully*
- 💡 *Practice spiritual disciplines that shape our hearts, habits, and lives*
- 💡 *Ask honest questions and wrestle with challenges of faith and life*
- 💡 *Apply biblical truth to real-world situations*
- 💡 *Grow in community marked by grace, accountability, and encouragement*

*Discipleship is relational, formative, and ongoing. It's about becoming, not arriving.*
