

Infectious Childhood Illness Policy and Procedure

To protect the children, staff and our wider families we have created a policy to protect everyone, the children at preschool are very young and play closely together and are in close contact with the staff. We promote good hygiene as part of the early year's curriculum; however, our children are very young and viruses and bugs spread rapidly. We are asking you as parents and carers to support this policy. The preschool team will continue to teach the children through activities the importance of good hygiene. The team will also continue to keep the environment your child plays in clean and safe.

Below are a list of common childhood illnesses and the exclusion periods that we would request that you adhere too, to prevent these nasty infectious conditions spreading around preschool to your families and our staff. This is our duty of care to protect us all.

24 hours exclusion after treatment:

Headlice

48 hours exclusion after treatment if necessary:

Sickness and Diarrhoea (After last bout) Conjunctivitis Impetigo Cold Sores

High temperature and generally unwell Hand, Foot and Mouth

Scabies Worms

Slapped cheek Cough and cold

Scarlet fever Croup

Tonsillitis

Prescribed course of general antibiotics (after 48 hours preschool will administer for you if still required)

1 week exclusion

Any operation using general Anaesthetic

Measles Mumps Rubella

Chicken Pox

2 Weeks exclusion

Whooping Cough

All medicines need to be prescribed by the doctor if you wish preschool to administer them, they must be in the original box with the prescription on it. You will be asked to complete a medication form for this, before it can be administered. If your child has Calpol prior to arriving at preschool because you think they are unwell, please do not bring them in, as this may be masking a more serious condition. Preschool have the right to contact you to collect your child if we believe that they are unwell. Preschool have the right to refuse a visibly unwell or injured child.

Please sign and return this page and keep the information sheet above for your records

I have read the above information and agree to support preschool with this policy
