say "I do" in the woods

A photograph of a couple in a small boat on a lake at sunset. The sun is low on the horizon, creating a bright reflection on the water and a lens flare. The couple is silhouetted against the light, with the woman's long hair flowing. In the foreground, a large tree branch with green leaves hangs down, partially obscuring the top left of the frame. The overall atmosphere is romantic and peaceful.

# Welcome

Endeavour Woodland Weddings are a family run business offering bespoke woodland weddings.

We are located in secluded woodland surrounded by fields in Buckinghamshire on the edge of Milton Keynes, providing you with the perfect natural backdrop for your wedding day.

We only host a handful of weddings each year, this allows our couples the space and time to plan the wedding of their dreams.

We will be delighted to have a chat should you have any questions about holding your special day with us.

## Exclusive

- The woodland and venue are exclusively yours.
- Say 'I do' in the trees at your woodland ceremony.
- Access the day before your wedding day between 1pm and 4pm for decorating, and from 8am on your wedding day.
- Newly Weds and guests to leave before midnight on your wedding day.

## Classic

- Exclusive hire of our woodland.
- Your own private woodland to enjoy throughout your wedding.
- Choose to stay one, two or three days.

Our unique woodland venue creates a picture-perfect backdrop that will capture your heart, and the imagination of your guests, whatever the weather.

Whether you're dreaming of saying 'I do' under our oak arch, or in our boho main hall - our philosophy at Endeavour Woodland Weddings is:

*Your Wedding Day*

You are free to create your own fantastic wedding!  
You have the option to bring in professional caterers,

that you know or choose from our list of suppliers.

## Your Celebrations

As the sun sets, our magical woodland comes alive – the perfect setting to dance the night away and celebrate with your loved ones!

Want to play your own playlist through our Marshall amp? Bring in your favorite band? Or maybe dance the night away with a traditional cèilidh? Whatever feels right for you – it's your day, your way!

# Your Stay & Getting Ready

Why not relax at the end of your wedding day and stay overnight by booking overnight camping? What could be more idyllic than your own woodland cosy bell tent?

Our 6m couples bell tent is beautifully furnished with rugs, furniture, a full-length mirror, lighting, and electricity. It's the ideal space to relax before, during, and after your wedding.

You are welcome to use the bell tent to get ready from 8am on the morning of your wedding. We also provide a table and chairs overlooking the pond (next to the bell tent) for your wedding party to get ready, share a drink, and relax. It is also a great area for "getting ready" photos.

If you choose to book overnight camping, we'll set up an additional cosy 5m bell tent, furnished with a double bed and bedding.

## Exclusive Weddings

Tucked away, our private woodland is exclusively yours. Whether you're dreaming of an intimate gathering or a festival style celebration, we'll work closely with you to bring your vision to life.

With complete exclusive hire, you have the freedom to create something truly unforgettable. The possibilities?

Absolutely endless.
